Time Out says

Mon Nov 25 2013

Mikhailov, known for unsparring photos of daily life in Russia during the Soviet and post-Soviet eras, is surveyed in this collection of works spanning 40 years. With a style that swung between the documentary and the hallucinatory, he managed to capture the undercurrent of abjection that shot through all levels of the Soviet Union, revealing a society beset by the consequences of its own fatalism and willingness to endure despotism.

Venue details

Name:	Dominique Lévy Gallery
Address:	909 Madison Ave Upper East Side New York 10021
Cross Street:	at 73rd St
