

Art review: dark & abstract

Copyright Kazuo Shiraga, Courtesy Hisao Shiraga.

Japanese painter Kazuo Shiraga has created abstract pieces with forceful brushstrokes. These early works date from the 1960s but have lost none of their power, drawing you into these chaotic maelstroms of layers of paint. [Kazuo Shiraga at Levy Gorvy, 22 Old Bond Street, W1S 4PY, free Until 25 March](#) ★★★☆☆ (Tuesday-Saturday)
